

Keep your food fresher, longer without the use of lactates. Extend the shelf-life of your products with WTI's solutions.

Simple. Clean. Safe.

Food Ingredients

Use one of WTI's proven products or let our team of food scientists and culinary experts design a solution that fits your and your customer's needs.

Description

Marinal® is WTI's line of functional organic salt blends.

Our Solutions

- Serve as an effective alternative to lactates
- Are effective at low usage rates
- Extend shelf-life
- Keep food safe by inhibiting outgrowth of *Listeria monocytogenes* and controlling the growth of mold, yeast and spoilage organisms
- Can be customized to meet unique processing requirements

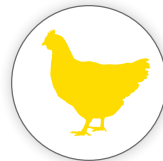

Applications

Beef

Pork

Poultry

Ease of Use

Marinal® products are in powder form and can be added directly to food; incorporated into brines or marinades for inject or tumble applications.

Usage Rates

0.3% to 0.5% of formula weight

Ingredients

Sodium acetate, salt, sodium diacetate

Packaging

Marinal® products are available in bags.
